### Report of the Trustees for the Year Ended 31 December 2018

The trustees present their report with the financial statements of the charity for the year ended 31 December 2018. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015).

#### **The Lord is faithful to all his promises and loving towards all he has made. (Psalms 145:13)**

The Lord's faithfulness and love for our church was once again evident in 2018 as we were blessed with a surplus of income over expenditure of £27,826 (before actuarial adjustments for the pension scheme as discussed below).

Whilst it was disappointing that offerings finished the year below budget (a shortfall of 3.8%) it was pleasing to note that they still continued to grow year on year (an increase of 5.2%), with monthly offerings rising from an average of £23,426 in 2017 to £24,651 in 2018. During the year we were once again blessed with legacy income of £11,713 which, together with some one off donations, enabled total revenue to exceed budget by £3,773. Expenditure for the year turned out on budget.

As a church we have agreed to keep paying down the Baptist Union loan as fast as our bank reserves permit, so that the annual interest charge of £4,971 (the charge for 2018) can be quickly reduced. In just 7 years we have reduced the loan down from £677,000 (in 2011) to £98,007 as at 31st December 2018. This is a remarkable achievement and is again a reminder of the fact that we follow a loving and faithful God and that He will always meet our needs according to His will.

We have been aware for sometime that the Baptist Union pension fund is facing a very serious shortfall and that every Baptist church, that has a contributing member to the fund, is facing a significant potential liability - the "employer debt". During 2017, RBC's estimated employer debt stood at £506,300 but, over the last eighteen months, the Baptist Pension Scheme Employers group has been working hard to reduce the potential liability to individual churches. This has included the Baptist Union of Great Britain agreeing to make additional contributions of £33.5m on behalf of the Baptist family in order to reduce the current deficit. This is very good news and, as at 31st December 2018, RBC's estimated employer debt has fallen to £263,800. Furthermore, whilst we were expecting to continue to make significant additional pension contributions (as part of the recovery plan) up until June 2035, this timescale has now been reduced by over 6 years to December 2028. We must remember, however, that whilst the sums involved are extremely significant (£263,800), this payment is only triggered if RBC ceases to have a minister who is a member of the pension fund. This is something that we do not envisage happening and we continue, along with all other Baptist churches, to contribute the additional monthly amounts into the pension fund, as part of the BU's plan to eradicate the deficit by 2028.

As Trustees, we do very much focus on the financial "numbers", but we never lose sight of the fact that we are not overseeing a set of complete business numbers, as there is one large number missing from the accounts. That number is the enormous amount of unpaid voluntary work that underpins everything we do and without which we could not hope to extend His kingdom. Thank you for all the unseen work that is carried out by so many and the generous giving of your time, your talents, your prayers and finances.

Let us continue to seek His provision and retain a thankful heart as we seek to "build a vibrant Christ-centred community with a vision for extending His kingdom".

#### **OBJECTIVES AND ACTIVITIES**

##### **Objectives and activities**

In order to achieve its principal objective of advancing the Christian faith according to the principles of The Baptist denomination, the Church provides a variety of activities both to its membership and to the community generally. The aim is to show the love of Jesus Christ in both word and deed and to bring people into a closer relationship with Him as living Lord.

Central to the work and witness of the church is the provision of regular public services of Christian worship. These services take place each Sunday at both 11.00 a.m. and 6.30 p.m. There are also occasional services at other times.

There is a full children's programme during the morning services. The church seeks to be a friendly and welcoming community and anybody is free to attend any of these services.

The church website [ruislipbaptistchurch.org](http://ruislipbaptistchurch.org) gives comprehensive details of the church's activities.

The church runs:

- Approximately 30 "small groups" for the growth of faith and discipleship in the homes of members or on church premises, and further details of these can be obtained from the church office or web site;
- Two groups for preschool children; Adventure Tots which meets every Tuesday morning and Action Tots which runs on Wednesday afternoons in school term;
- Groups for young people aged 11-14 years and 14-18 providing them with teaching about Christianity and social responsibility and providing social activities for them meeting twice a week;
- One Brownie group, one Rainbows group and one Guide company;
- Groups to meet the needs of those in the third age and those who have additional needs. We provide signed services and services for our deaf community;
- A new group called Café Connection launched in April, which meets the needs of the elderly and lonely in our local community.

For one week in the School Summer holidays around one hundred regular worshippers of the church of all ages staff a holiday club for seven to eleven year olds from the local community. Between two and three hundred children attend this event.

Also in the Summer Holidays an event is held over three days called "Holiday At Home". This is three days of activities and hospitality for people of fifty-five years of age and over from the local community.

After Christmas we hold a Senior Citizens Christmas Party.

Other regular activities and events include: pampering evenings, a craft club, an art club, a Tuesday Fellowship meeting, a community choir, regular visits to lead services in local Care Homes, Ministry to Men, and a dad's camp.

The purpose of all these groups is to assist the community and demonstrate the love of Jesus Christ. From time to time the Church runs courses in parenting and money management as well as for people interested in discovering more about Christianity entitled "Christianity Explored" and "Alpha". It also distributes a regular newsletter to the surrounding community informing them of its activities.

In addition to the above many individuals and groups meet with others to share their faith and support others.

## **OBJECTIVES AND ACTIVITIES**

### **Objectives and activities**

The Church operates systems to ensure that all people working with children and vulnerable adults are appropriately vetted with regard to the Disclosure & Barring Services.

### **Grantmaking**

The trustees set aside from their number, including representatives from the church membership, a finance committee that reviews requests for financial assistance.

During the year the Church made grants totalling £86,114 to institutions. The four largest grants were :

**BMS World Mission ( £13,500)** - is a Christian mission organisation working in around 35 countries. Our gift for the BMS General Fund is used to support the ongoing mission activity of BMS and provide support for its disaster recovery work.

**Baptist Home Mission ( £13,415)** - Home Mission is the way churches in the Baptist Union of Great Britain support one another financially. Our gift is used to provide grants for a variety of ministries in and through Baptist churches and support the work of the London Baptist Association.

**International Needs (£10,000)** - International Needs is a worldwide mission and development agency. Our gift is specifically directed in support of the ACTS Group of Institutions, a non-profit organisation working with children and young adults across India in the areas of education, environment and social entrepreneurship.

**Wycliffe Bible Translators (£10,600)** - Wycliffe Bible Translators exists to make the Bible available to every people group in the world. Our gift is specifically directed to provide personal support for Janet Souster, Director of Language Programmes in Mali.

### **Volunteers**

Statistics are not maintained for the number of volunteer hours undertaken by the membership including the trustees but from anecdotal evidence, the figure is substantial.

## **ACHIEVEMENT AND PERFORMANCE**

### **Achievements and performance**

The Church does not measure the success of its programmes only in numbers, including financial numbers, but also in less tangible areas like fellowship and encouragement. The Trustees recognise that these are difficult to measure, but believe that 2018 was a positive year in the life of the church and that it will be able to pursue its mission purposes in 2019 with renewed enthusiasm.

During the year, our membership was 308 (2017: 310).

Average attendance at worship services has remained strong during the year, and likewise in the work with children and amongst young people. Adventure Tots continues to be oversubscribed with a waiting list of people wishing to attend regularly.

### Report of the Trustees for the Year Ended 31 December 2018

#### **FINANCIAL REVIEW**

##### **Financial position**

The Church continues to raise the funds which it needs to carry on its activities from within its own membership and congregation. No wider public appeal was made for funds during the year.

The Church expressed its part in the life of the wider church by making grants to national and international Christian organisations and societies with Christian aims and objectives compatible with the church's own charitable purpose.

The Church is heavily dependent on its membership working as volunteers in all aspects of the church's activities, many of which run with little or no impact on the church's expenditure, but nevertheless contribute substantially to the achievement of the church's objectives.

The financial results for the year, together with a summary of the accounting policies adopted are set out in the accompanying financial statements.

##### **Reserves policy**

The church maintains sufficient reserves to ensure that it has sufficient operating cash to meet its expenses pending receipt of any irregular income such as the annual Gift Aid claim and always in excess of 3 months budgetary expenditure.

#### **STRUCTURE, GOVERNANCE AND MANAGEMENT**

##### **Governing document**

The charity is controlled by its governing document, a deed of trust, and constitutes an unincorporated charity.

The Charity is governed by an Approved Governing Document which states that the principal purpose of the charity is the advancement of the Christian faith according to the principles of the Baptist denomination to include the advancement of education, community service and such other general charitable purposes in such parts of the United Kingdom and the world as the Church shall determine.

The Church occupies premises which are held by The London Baptist Property Board Limited, on Trusts which are entirely compatible with the above object.

##### **Organisational structure and decision making process**

Members of the Church are accepted into membership in accordance with the Constitution which requires them to have professed personal faith in Jesus Christ and to understand the responsibilities of church membership.

The members Meeting normally takes place six times per year and has responsibility for the overall policy of the church. In accordance with the Constitution, the members appoint fifteen Trustees (one of whom is appointed Treasurer), who together with the Ministers (who are also appointed by the Members), and collectively known as the Diaconate are responsible for the day to day running of the church's work and witness, and the financial and legal aspects of the charity. All members are encouraged to take an appropriate part in the spiritual and practical tasks involved in the furtherance of the charitable objective.

Relevant matters may be submitted to the Church meeting by the Trustees for guidance, or may be raised by members in Church meeting for further consideration by the Trustees. Though the Constitution permits decisions to be made at Church meetings by appropriate majorities, the Church seeks to work by consensus wherever possible.

#### **STRUCTURE, GOVERNANCE AND MANAGEMENT**

##### **Induction and training of new trustees**

Upon appointment, each trustee receives a copy of the Constitution and thereafter meets regularly with the other trustees for the purposes of performing his or her duties including praying for the membership and the future direction of the church. The trustees are encouraged to liaise with each other and receive guidance from policy documents available.

##### **Risk management**

The trustees have a duty to identify and review the risks to which the charity is exposed and to ensure appropriate controls are in place to provide reasonable assurance against fraud and error.

**STATEMENT OF TRUSTEES RESPONSIBILITIES**

The trustees are responsible for preparing the Report of the Trustees and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales, the Charities Act 2011, Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, including the income and expenditure, of the charity for that period. In preparing those financial statements, the trustees are required to

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charity SORP;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approved by order of the board of trustees on ..... and signed on its behalf by:

Report of the Independent Auditors to the Trustees of  
Ruislip Baptist Church

**Opinion**

We have audited the financial statements of Ruislip Baptist Church (the 'charity') for the year ended 31 December 2018 which comprise the Statement of Financial Activities, the Balance Sheet and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charity's affairs as at 31 December 2018 and of its incoming resources and application of resources for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Charities Act 2011.

**Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors responsibilities for the audit of the financial statements section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Conclusions relating to going concern**

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the trustees' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the trustees have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the charity's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

**Other information**

The trustees are responsible for the other information. The other information comprises the information included in the annual report, other than the financial statements and our Report of the Independent Auditors thereon.

Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Report of the Independent Auditors to the Trustees of  
Ruislip Baptist Church

**Matters on which we are required to report by exception**

We have nothing to report in respect of the following matters where the Charities Act 2011 requires us to report to you if, in our opinion:

- the information given in the Report of the Trustees is inconsistent in any material respect with the financial statements ; or
- sufficient accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records and returns.

**Responsibilities of trustees**

As explained more fully in the Statement of Trustees Responsibilities, the trustees are responsible for the preparation of the financial statements which give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

**Our responsibilities for the audit of the financial statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue a Report of the Independent Auditors that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at [www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities). This description forms part of our Report of the Independent Auditors.

**Use of our report**

This report is made solely to the charity's trustees, as a body, in accordance with Section 144 of the Charities Act 2011 and regulations made under Section 154 of that Act. Our audit work has been undertaken so that we might state to the charity's trustees those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's trustees as a body, for our audit work, for this report, or for the opinions we have formed.

## **1. ACCOUNTING POLICIES**

### **Basis of preparing the financial statements**

The financial statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued on 16 July 2014 and the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102) and the Charities Act 2011 and UK Generally Accepted Practice as it applies from 1 January 2015.

The financial statements have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair view'. This departure has involved following Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued on 16 July 2014 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

In preparing the accounts, the Trustees have assessed that the church will remain a going concern for at least the next 12 months. The Trustees do not consider that there are any material uncertainties in this respect.

### **Income**

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

### **Expenditure**

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Grants offered subject to conditions which have not been met at the year end date are noted as a commitment but not accrued as expenditure.

### **Tangible fixed assets**

Depreciation is not provided on premises and fixtures and fittings, namely pews and organ. This is contrary to Section 189 of the Statement of Recommended Practice: Accounting by Charities. Furniture and equipment are capitalised where the purchase price exceeds £500. Purchases of £500 or below are written off in the year in which such expense is incurred. Depreciation is provided at appropriate rates to write off furniture and equipment over their estimated useful life.

The church has followed a practice of not depreciating its assets since it first produced accounts in 1937. The church building and manse properties are intended to sustain the work of the church over an extended time period and receive the benefit of regular investment to maintain their serviceability and value.

This departure is needed to give a true and fair view and continues into future periods.

**1. ACCOUNTING POLICIES - continued**

**Stocks**

Stocks are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items.

**Taxation**

The charity is exempt from tax on its charitable activities.

**Fund accounting**

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

**Pension costs and other post-retirement benefits**

The charity operates a defined contribution pension scheme. Contributions payable to the charity's pension scheme are charged to the Statement of Financial Activities in the period to which they relate.

Further details of retirement benefits can be found at note 21.

**Financial instruments**

**Debtors**

Short term debtors are measured at transaction price, less any impairment. Loans receivable are measured initially at fair value, net of transaction costs, and are measured subsequently at amortised cost using the effective interest method, less any impairment.

**Creditors**

Short term creditors are measured at the transaction price. Other financial liabilities, including bank loans are measured initially at fair value, net of transactions costs, and are measured subsequently at amortised cost using effective interest method.

The Missionary Restricted Fund relates to a legacy received from the estate of the late Anne Booth with a specified purpose of the training or support of overseas missionaries.

The non-specified funds relate to gifts from anonymous donors where they have requested control over how the funds are used subject to the agreement of the Church Treasurer.

**21. PENSION COMMITMENTS**

The Church is an employer participating in a pension scheme known as the Baptist Pension Scheme ("the Scheme"), which is administered by the Pension Trustee (Baptist Pension Trust Limited). The Scheme is a separate legal entity and the assets of the Scheme are held separately from those of the Employer and other participating employers.

For any month, each participating employer in the Scheme pays contributions as set out in the Schedule of Contributions in force at that time.

The Scheme is considered to be a multi-employer scheme as described in Section 28 of FRS 102. This is because it is not possible to attribute the Scheme's assets and liabilities to specific employers and means that contributions are accounted for as if the Scheme were a defined contribution scheme. The pension costs charged to the SoFA in the year are contributions payable towards benefits and expenses accrued in that year, plus any impact of deficiency contributions (see below).

The Ministers are eligible to join the Scheme.

From January 2012, pension provision is being made through the Defined Contribution (DC) Plan within the Scheme. In general, members pay 8% of their Pensionable Income and employers pay 6% of members' Pensionable Income into individual pension accounts, which are operated and managed on behalf of the Pension Trustee by Legal and General Life Assurance Society Limited. In addition, the employer pays a further 4% of Pensionable Income to cover Death in Service Benefits, administration costs, and an associated insurance policy which provides income protection for Scheme members in the event that they are unable to work due to long-term incapacity. This income protection policy has been insured by the Baptist Union of Great Britain with Unum Limited. The further 4% contribution rate is reduced to 3% for Employer contributions made to the Segregated DC Arrangement. Pension costs relating to the DC Plan for the year were £8,470 (2017: £7,734).

Benefits in respect of service prior to 1 January 2012 are provided through the Defined Benefit (DB) Plan within the Scheme. The main benefits for pre-2012 service were a defined benefit pension of one eightieth of Final Minimum Pensionable Income for each year of Pensionable Service, together with additional pension in respect of premiums paid on Pensionable Income in excess of Minimum Pensionable Income. The Scheme, previously known as the Baptist Ministers' Pension Fund, started in 1925, but was closed to future accrual of defined benefits on 31 December 2011.

A formal valuation of the Defined Benefit (DB) Plan was performed at 31 December 2016 by a professionally qualified Actuary using the Projected Unit Method. The market value of the DB Plan assets at the valuation date was £219 million.

The valuation of the DB Plan revealed a deficit of assets compared with the value of liabilities of £93 million (equivalent to a past service funding level of 70%). The Church and the other employers supporting the DB Plan are collectively responsible for funding this deficit.
