

THURSDAY MIRACULOUS MISSION!

What is being a Christian
all about?

Following rules?

Being a good person?

Today the children heard the
story of Jesus dying on the cross.
They were given the opportunity
to respond and pray, to find out
more about what it means to
follow Jesus.

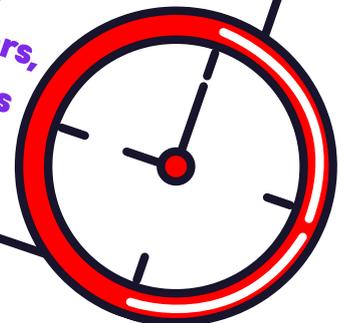

DON'T FORGET
TO JOIN US AT
SHENLEY PARK
TODAY - 1PM!
BRING
A PICNIC

Action Tots
Pampering evenings
Cafe connect
Holiday@Home

We have things going
on during the week for
your family too.
for babies & toddlers,
for parents & carers
& Grandparents.

KEEP CHECKING OUR WEBSITE

STORY

THE SAVIOUR RISES FROM THE DEAD

MATTHEW 27:27-28:10

The Miraculous Mission is truly miraculous today. Jesus, the special agent sent to be the saviour of the world, comes back to life after being put to death on a cross. This was a horrible way to die - the Romans used it to torture their enemies but Jesus knew that was part of his mission. And he agreed to it because he loves us so much and he trusted God to complete the mission and save the world. When Jesus died on the cross he took the punishment for all the things we have done wrong - from the big things that we hear about in history or on the news to the smaller things that we might do - fighting with our brothers and sisters, saying mean words, ignoring God's rules...all of these made God sad and ruined his wonderful world. So Jesus came from God and died for us and then - amazingly, miraculously, awesomely - came back from the dead to show us how powerful God is, how much God loves us and that we can be God's friends through Jesus. Spymaster David, C, Code Breaker Kesia, Secret Agent Sam and all the other agents at the Miraculous Mission know Jesus as their friend. If you want to know any more do ask - we'd be happy to talk with you. We thank God for sending Jesus to save the world and we try to live as God would want us to - looking after his world and all the people in it. That's why C is trying to build a machine to protect the world forever and wasn't it good that it came back to life today! Maybe tomorrow will be the day when she finally gets her machine to fulfil its mission?
